Dear Joel,

Oracle Corporation and its affiliates (“Oracle”) hereby grant Kansas Linux Fest (“KLF”) permission to reproduce the MySQL logo (the “Mark”) on the Kansas Linux Fest website at <https://kansaslinuxfest.org/sponsors/>, event signage, flyers, posters and in social media announcements for the sole purpose of identifying Oracle as a sponsor of the Kansas Linux Fest event taking place August 9-11, 2019 at Wichita State University in Ahlberg Hall, Kansas.

KLF may not otherwise use the Mark to represent or suggest that Oracle endorses or recommends KLF or its goods and services without Oracle’s prior approval. KLF is granted no rights to the Mark except as expressly set forth in this email, and all goodwill based upon KLF’s use of the Mark shall inure to the sole benefit of Oracle.

Best regards,

Mark Schreier
